

My personal view of Twareque

Fabio Bagarello

D.E.I.M., Università di Palermo

Marseille, November 16th, 2016

Things (and moments) I remember

- 1 the first time we met, in Cuba:

Things (and moments) I remember

- ① the first time we met, in Cuba: t-shirt, shorts trousers and flip flop...

Things (and moments) I remember

- ① the first time we met, in Cuba: t-shirt, shorts trousers and flip flop...

the lesson I learned:

Things (and moments) I remember

④ the first time we met, in Cuba: t-shirt, shorts trousers and flip flop...

the lesson I learned: you don't need to dress a tie to be a professor;

Things (and moments) I remember

① the first time we met, in Cuba: t-shirt, shorts trousers and flip flop...

the lesson I learned: you don't need to dress a tie to be a professor;

② our walks in Bjalowieza forest

Things (and moments) I remember

① **the first time we met, in Cuba:** t-shirt, shorts trousers and flip flop...

the lesson I learned: you don't need to dress a tie to be a professor;

② **our walks in Bjalowieza forest** discussing mathematics (often), politics (sometimes), theater, movies, *social interactions*, drinks, food,

Things (and moments) I remember

① **the first time we met, in Cuba:** t-shirt, shorts trousers and flip flop...

the lesson I learned: you don't need to dress a tie to be a professor;

② **our walks in Bjalowieza forest** discussing mathematics (often), politics (sometimes), theater, movies, *social interactions*, drinks, food,

his second lesson:

Things (and moments) I remember

① **the first time we met, in Cuba:** t-shirt, shorts trousers and flip flop...

the lesson I learned:you don't need to dress a tie to be a professor;

② **our walks in Bjalowieza forest** discussing mathematics (often), politics (sometimes), theater, movies, *social interactions*, drinks, food,

his second lesson:mathematics is important, physics too, but real life even more;

Things (and moments) I remember

① **the first time we met, in Cuba:** t-shirt, shorts trousers and flip flop...

the lesson I learned:you don't need to dress a tie to be a professor;

② **our walks in Bjalowieza forest** discussing mathematics (often), politics (sometimes), theater, movies, *social interactions*, drinks, food,

his second lesson:mathematics is important, physics too, but real life even more;

③ **our "scientific meetings" in the cafeteria down his office, in Montreal,**

Things (and moments) I remember

① **the first time we met, in Cuba:** t-shirt, shorts trousers and flip flop...

the lesson I learned:you don't need to dress a tie to be a professor;

② **our walks in Bjalowieza forest** discussing mathematics (often), politics (sometimes), theater, movies, *social interactions*, drinks, food,

his second lesson:mathematics is important, physics too, but real life even more;

③ **our "scientific meetings" in the cafeteria down his office, in Montreal,** writing formulas on a "minimal" piece of paper of 10 square centimeters ...

Things (and moments) I remember

① **the first time we met, in Cuba:** t-shirt, shorts trousers and flip flop...

the lesson I learned:you don't need to dress a tie to be a professor;

② **our walks in Bjalowieza forest** discussing mathematics (often), politics (sometimes), theater, movies, *social interactions*, drinks, food,

his second lesson:mathematics is important, physics too, but real life even more;

③ **our "scientific meetings" in the cafeteria down his office, in Montreal,** writing formulas on a "minimal" piece of paper of 10 square centimeters ...(I usually need a huge desk!!!)

Things (and moments) I remember

- ① his smiling face in Palermo, after the first day in his hotel just on a hill by the seaside...

Things (and moments) I remember

- ④ his smiling face in Palermo, after the first day in his hotel just on a hill by the seaside...

"Wow Fabio!!! it is wonderful to work in my balcony with the sea just in front of me!!....."

Things (and moments) I remember

- 1 his smiling face in Palermo, after the first day in his hotel just on a hill by the seaside...

"Wow Fabio!!! it is wonderful to work in my balcony with the sea just in front of me!!....."

- 2 our visit in the Cathedral of Monreale....

Things (and moments) I remember

- ① his smiling face in Palermo, after the first day in his hotel just on a hill by the seaside...

"Wow Fabio!!! it is wonderful to work in my balcony with the sea just in front of me!!....."

- ② our visit in the Cathedral of Monreale....

"In places like this you feel, extremely clear, the spirituality on the human beings"

Things (and moments) I remember

- ① his smiling face in Palermo, after the first day in his hotel just on a hill by the seaside...

"Wow Fabio!!! it is wonderful to work in my balcony with the sea just in front of me!!....."

- ② our visit in the Cathedral of Monreale....

"In places like this you feel, extremely clear, the spirituality on the human beings"

- ③ his enthusiasm when listening to people, to all the people:

Things (and moments) I remember

Now, let's play a game: *find the similarities*:

Twareque in Bialowieza 1

Twareque in Bialowieza 2

Twareque dancing in Cuba

Twareque eating in Montreal

Concluding....

Concluding....

.... Twareque enjoyed science but he especially enjoyed life, in all its aspects! And he enjoyed people...

Concluding....

.... Twareque enjoyed science but he especially enjoyed life, in all its aspects! And he enjoyed people....at least as much as people enjoyed Twareque.

Concluding....

.... Twareque enjoyed science but he especially enjoyed life, in all its aspects! And he enjoyed people....at least as much as people enjoyed Twareque.

... and now, two words on coherent states by Twareque
